

Cathedral Peak,
Yosemite National Park.
The SE Buttress route
goes up the face to the
right of the left skyline.

Dave and Stacy
at the base of
Cathedral Peak's
SE buttress.
Dave needs to
lose weight.

On the
first
pitch.

Getting higher; nice scenery
while belaying

Fiddling
with gear

Farther off the
ground

One of the very large ledges near the top. Mt. Conness in the background

The “splitter”
crack near the
top

On the
summit; Mt.
Clark in the
background
